

Dear Customer,

**Re: A38/A50 Toyota Island essential maintenance**

We're writing to inform you of work which is due to start on **1 July 2024** and we expect to complete by **30 November 2024**.

This work is to the repaint sections of the bridge which runs over the A38 on the A50 Toyota Island and is essential to protect and prevent rusting to the existing structure. Scaffolding will be installed, and prior to the repainting, there will be a requirement to carry out additional maintenance work. Once complete, the life span of the bridge will be preserved but also reduce the need for future maintenance.

From **1 July to 13 September**, A38 northbound lane 2 closed, 24/7.

From **14 September to 29 November**, A38 southbound lane 2 closed, 24/7.

From **1 July to 12 September**, between 8pm and 5am, weekday overnight closures of the A38 northbound between the exit and entry slip at Toyota Island.

From **16 September to 29 November**, between 8pm and 5am, weekday overnight closures of the A38 southbound between the exit and entry slip at Toyota Island.

During closures, a small diversion will be installed over Toyota Island using the exit and entry slips. For the duration of the works, 50mph restrictions will be in place.

Please plan ahead and allow additional time for your journey.
